

# Pranay Jangaigar

Full Stack Python Developer

+916309265150   pranayreddy885@gmail.com   <https://www.linkedin.com/in/j-pranay>   hyderabad

## SUMMARY

Motivated and detail-oriented Python enthusiast with a strong foundation in programming principles and problem-solving techniques. Recently completed coursework in Python programming and software development, focusing on data structures, and web development frameworks. Adept at utilizing Python for data manipulation, automation, and building simple applications. Demonstrated ability to learn quickly and adapt to new technologies, with a commitment to continuous improvement. Experienced in collaborating on team projects during academic assignments, where I contributed to code development. Developed a personal portfolio of projects that showcases proficiency in Python, including a web development, and a basic web application
